

# Sports Medicine Education Course

Sunday, June 24, 2018

9:00 a.m. - 1:00 p.m.

Registration begins at 8:00 a.m.

Atlanta Motor Speedway  
Infield Media Center  
1500 Tara Place, Hampton, GA

## Program Overview and Objectives

The Childress Institute for Pediatric Trauma and Children's Healthcare of Atlanta will bring together coaches, athletic trainers and sports medicine first responders to learn about and discuss the continuum of athletic injuries.

The program will include the following:

- A discussion of sports injuries in young athletes and how all members of the care team (athletic trainer, coach, EMS, etc.) should work together. Topics include concussion, spinal injuries, heat illness and dehydration.
- Hands-on demonstrations to better prepare for emergencies including equipment removal, taping and spineboarding.

## Who Should Participate

Recreation and youth coaches and support personnel, middle and high school coaches and athletic trainers, emergency services personnel and healthcare providers.
